

FRANCISCO ALAN MAYORAL VALENZUELA

fcoalanmayoral@hotmail.com | +52 662 329 5257 |
Hermosillo, Sonora, Mexico

PROFILE

I am an engineering student passionate about learning and applying my knowledge in the fields of automation, electronics, and programming. I am seeking an opportunity to contribute to challenging and dynamic projects that will allow me to further develop my skills in the design, implementation, and maintenance of advanced engineering systems.

As a curious, creative, and committed individual, I am confident that I can bring significant value to any company seeking a young and enthusiastic talent in the field of engineering.

EXPERIENCE

Every summer since 2019 Group Manager and Leader Teacher, Frank Mayoral Swimming School & Maesters.

Organizer of the different groups and group leader teacher.

Skills used:
